fusion
A DISCOVERY of LOCAL FOOD, WINE & CRAFT BEER

For 15 years, Fusion has brought our community together to support adults with developmental disabilities served by LCDS. Funds raised through this event help provide opportunities and resources that go beyond government funding, creating meaningful improvements in the lives of the people we support.

This year, proceeds from Fusion will fund Accessibility Assets across LCDS homes, services, and programs. These assets include accessibility improvements such as ramps, lifts, automated doors, adaptive equipment, communication technology, sensory supports, and other specialized tools that increase independence, safety, and inclusion.

Every volunteer hour you give helps open doors, remove barriers, and create opportunities for people to live more independently and fully participate in their communities. Thank you for helping make a lasting difference through Fusion 2026.

Entrance

- Stationed just inside the doors, welcome patrons.
- The event is an over 19 only event.
- Take entrance tickets that were purchased ahead of time, rip and place in box.
- For tickets purchased on-line, scan the QR code with the ipad provided
- Ensure the ticket is for the appropriate day/time.
- Dress warm in cooler weather due to doors opening and closing.

Sample Glass Table

- Ensure an ongoing supply of glasses are set up and displayed nicely
- Wipe out each wine glass as you set up
- Ensure each person receives a glass
- Hospitality – Welcome them to Fusion, ask if they know how it all works. If they do, just say “enjoy your day/night”. If not briefly explain the glass and how they use it (rinse stations are available around the outside of the room for their glasses between samples).
- Explain purchasing sample tickets and how they are used (samples of food/wine/beverages can be purchased with sample tickets depending on the vendors ‘price’ of samples).
- If someone loses or breaks their glass, they will need to pay 2 sample tickets to replace.
